CBD TUFF CAMP

Buena Vista, Colorado

This is a LIVE extreme cross fitness "competition-centered" outdoor survival training for the serious competitive professional or career tough athlete and elite self defense enthusiast. Four days that will transform your life forever! A star studded training team of legendary superstar athletes and coaches come together to create mind-blowing positive impact.

- Gold Medal training instruction
- High altitude super cardio-conditioning
- Cutting edge Champion By Design programming
- Private & secluded Rocky Mountain success training

The CHAMPION by design TUFF CAMP is a four (4) day personal SUCCESS training that has something for everybody to gain. This is a "Boot Camp" for mental-physical mastery, engaging fully the psychological principles of unstoppable competition engagement.

"It's going to be a great retreat from normal society, hands on with each and every person. Everyone's going to be a group and we're going to be surviving together." -Stephen Neal, 3X NFL Superbowl Champion, FILA World Champion (Freestyle Wrestling) & Wrestler of the Year, 2X NCAA Champion, Junior National Champion, Inductee National Wrestling Hall of Fame

Train your skill and cardio hard high and deep in the mountains (8,500-10,000 ft) by day, soak away the pain in the natural Colorado Rocky Mountain HOT SPRINGS, and turn the power up at every level through the special no holds-barred success workshop series.

"I've made some great changes this year and had a ton of help. One tool that I have been using is my Champion By Design program. Positive thinking helps to achieve positive results. Join Champion By Design at TUFF CAMP and work on the mental part of your game." -Daniel Cormier, 2X Olympian Wrestler & Undefeated MMA PRO

You prepare for anything... You hope for the best but are ready for however the cards will fall... You know that your ability to command your destiny can come down to how you respond to the challenges that life will present to you and test your character. You are a warrior and you train for unexpected and unimaginable events that cross your path. You live for the moment & the fight. Victory is your personal mission & only option.
